

SGX

MARCH 21, 2022

WALTER E. WASHINGTON
CONVENTION CENTER

DURING SATELLITE 2022

SPACE GENERATION
ADVISORY COUNCIL

 **SATELLITE 2022**

Space Generation Advisory Council

The Space Generation Advisory Council is a volunteer-based, global non-governmental, non-profit (US 501(c)3) organisation and network which aims to represent university students and young space professionals ages 18-35 to the United Nations, space agencies, industry, and academia. The SGAC network of volunteers and alumni has grown to more than 16,000 members representing more than 165 countries.

We achieve this through numerous annual events, including our flagship global events, the Space Generation Congress (in conjunction with the IAC), the Space Generation Fusion Forum (in conjunction with the Space Symposium), and SGx (in conjunction with SATELLITE).

For more information, visit the SGAC website: www.spacegeneration.org.

SGx at SATELLITE 2022

In partnership with [Future Space Leaders Foundation \(FSLF\)](#) and [SATELLITE 2022](#), SGAC will host its seventh SGx in Washington, DC on [March 21st, 2022](#).

The [Future Space Leaders Foundation](#) is a STEM-focused non-profit organization, dedicated to advancing the next generation of space and satellite industry professionals.

The [SATELLITE Conference and Exhibition](#) launched in 1981 with the goal to connect and unite the satellite industry, reaching a range of professionals in commercial markets benefiting from satellite technology and applications.

What is SGx?

SGx **lightning talks** are designed to create an environment where **young professionals, industry experts, and government leaders** can gather to share their insights and experiences with each other. Join us for fast-paced and engaging discussions that tackle pressing issues and innovative ideas to **inspire the next generation of space leaders.**

What's new in 2022?

- Themed Speaker Sessions:
 - 3 expert speakers followed by moderated Q&A
 - Grouped by theme:
 - Policy/ Government
 - Entrepreneurship
 - Science/ technology
 - Culture
- Speed Mentoring & Job Fair
